DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

In the field of instruction, certain divine principles are poured out that help souls to take their steps towards God to be able to enter into His Kingdom and to be in communion with Him.

In this sense, true instruction is free of personal benefits, as from any accomplishment, and it is full of humility, and above all, of love for whoever receives it.

When the spiritual instruction is genuine, the foundations cause the simple virtues in souls to blossom, and consciousnesses may live it and follow their long path of transformation.

That is why the real and wise instructors are very few in the world of today, and God avails Himself of them to give impulse to and to fulfill His Universal Work in the greatest number of souls possible; thus the Divine Plan makes itself more visible to all.

Instruction is the light for hearts, and it is the boat that leads to a good harbor for whoever follows and lives the teaching, because behind all instruction, whatever it is, love is present, and in love everything becomes or turns into something achievable.

I thank you for opening your hearts to instruction.

Who unifies you,

Your Mother Mary, Rose of Peace
