WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÀTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear and beloved children,

While violence, abuses and war in the world continue to worsen, on the other hand, My enemy tries to influence or tempt many priests so that the union that the priest establishes between Heaven and Earth may be interrupted.

This is one of My greatest pains, because it has consequences for hundreds of souls who are waiting for this opportunity through the loving experience of the Sacraments.

Dear children, I need the souls who have offered to pray for priests and for the priesthood in the world to continue to accompany Me in this spiritual battle.

May faithful hearts, who trust in the Presence of My Son in the Eucharist, help priests to fulfill their duty and spiritual mission.

If this does not happen, not only will more souls lose the faith that is already outraged in many hearts, but without the presence of committed and true priests of Christ, peace cannot be established.

I need My faithful praying armies on earth, united in priestly ministry, to know how to go through this fierce battle of the end times.

Dear children, My Mother's Heart seeks to protect My beloved children, the priests of the Lord, for without priests there are no Sacraments and without Sacraments there are no Graces to bestow on souls.

This is the hour for all to remember the sacrifice of My Son for you. Without this in mind, the sorrow of those who have not heard the Voice of the Lord will be great.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
