**Daily Message received of Mary, Rose of Peace, transmitted in the Marian Centre of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón**

On this holy day in which the reparation of souls and of My Heart is made possible for this part of the world, I invite you to the intimate renewal with the attributes of faith and reconciliation.

Thus, today, in front of you, the doors of the Aurora of My Heart are opened so that all may enter for the last time into this network of light that I build in the world through hearts.

Then, My children, offer this Reparative Communion to the Celestial Father for all your brothers and sisters who are spiritually blind and deaf, brothers and sisters of this humanity who do not want to hear the message of your Celestial Mother.

You, with your inner eyes open, wait, from the Aurora of my Heart, for the Grace that you so much seek. In truth, I tell you, My children, that the Aurora of my Heart will open the door so that you may find the Grace that you so much wait for.

While the world waits for the moment of its self-realization, I invite you to continue praying with Me at the foot of this portal that represents the perfect state of My Peace in this part of the world.

Thus, during these days of August, I will return to Aurora to demonstrate My constancy and Motherly love for all of My children, for the correct and the incorrect, for the prayerful and for those who are deviated from the path of love.

Receive My spiritual blessing so that, from today on, new codes may be sowed in the depths of your hearts.

Faith makes you return, once and again, to this Sacred Center where the simplicity and the love of Aurora are the flame that transforms all and the light which heals every heart.

Commune with the inner Presence of Christ, and, I thank all those who kept the Reparative Communion of the first five Saturdays of each month.

I bless you and safeguard you in My universal Heart of Light.

I thank you for responding to My call!

Your Mother Mary, Rose of Peace
