LAST MESSAGE FOR THE VIGIL OF PRAYER OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Although today will be My final Message for this Vigil of Prayer, I would like your voices and prayers to keep resounding in the Creator Universe.

Now that you already know how to support the planet, in a prayerful way, keep accompanying your Heavenly Mother in this mission of love and salvation of the souls of humanity.

Now that you are already My consecrated prayerful soldiers and warriors, I invite each one of you, on this day, to spiritually assume a nation of the Earth, so that not only through the Vigil of Prayer, but also every day this nation may be present within your prayers.

Thus, dear children, you will imitate the Mother of God, while She places all the nations of the Earth beneath Her Mantle.

I call you, My children, to assume this spiritual exercise with the nations in a conscious way, because each one of you have already demonstrated to Me how you can do it and fulfill it.

This is why I am thankful that, throughout these years, the Vigil of Prayer has been growing internally in the commitment that the souls have to assume for humanity and for the planet.

I aspire for you to keep being soldiers and warriors of the prayer that transforms the human condition and transmutes contrary currents.

Now that you have learned to ignite the mirror of the heart, it is time for this mirror of the heart to not only deliver love and service to the world, but also this mirror of the heart may maintain its contact and communion with the Heights, beyond the circumstances and tests.

Dear children, on this day of the final Message for this Vigil of Prayer, I can tell you that you will be able to keep assuming and responding to this call for prayer for the nations of the Earth, and now you will not only pray for one of the many nations in the world, but you will also include in your intentions the angels of the nations, which in this time, due to the spiritual situation of the surface of the Earth, the angels of the nations have much, much more work than they have had at other times.

I invite you to unite and support the Angels of the Nations so that they can maintain the order, justice, peace and union among peoples.

So, my children, on this day, Your Heavenly Mother designates you as successors of this task and inner commitments, since the Mother of God will continue with you, but now, attending to the rest of the universe and Creation.

At each moment of prayer, My Mirror Heart will be able to be with you, and you will be able to be within My Heart.

I thank you for having responded to My call throughout these years!

Who blesses you and loves you,

Your Mother, the Virgin Mary, Rose of Peace
