DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The light of the first Christs starts to dawn within the inner universe, because they are congregated for prayer and their voices proclaim the Blessings from Heaven.

The New Christs start to emerge because they have made a heartfelt commitment to witness the Love of the Redeemer and to retransmit it to the whole planetary consciousness.

These New Christs do not want anything for themselves, they only aspire to fulfill daily prayer for the Master of Love to guide their small steps.

The New Christs begin to manifest themselves and they are surprising because they will be the people you least imagine. They are witnesses and adorers of the Passion of the Lord, they are able to give all for love, under any circumstance.

The Christs of the New Time start from zero every time it is necessary until, by themselves, and by all means that the Hierarchy has given them, they are able to express the steps of the Plan, and they are also the ones who remain neutral not to get mixed up with anything from the world.

The New Christs only say "yes" and by this "yes" they live, in addition to everything they can give for the Creation to be renewed.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Jesus Christ
