DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN EL CÓNDOR RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May the mirror of your heart be the guide and the light in the darkness of the world.

May the mirror of your heart be the bridge for the Primordial Source of Love and Peace.

May the mirror of your heart be the sacred receptacle of the divine Gifts of the Holy Spirit so that you may know how to discern, console, shelter and bring peace, not only to your own heart but also to those around you.

Raise your eyes to the Heavens, child, so that you do not lose sight of the Divine Purpose. Do not let the things of the Earth confuse you, nor let the confusion of the mind of human beings influence you, and recover your unity with the Heights over and over again.

Pray and let the mirror within you be always active, alive and luminous to guide you and protect you in these times.

May your heart always be in God and may your consciousness, always be in the Cosmos. Recognize the need for the planet to be purified and bear with love the weight of the last cross of the world. Within your heart you have everything that you need to overcome these tests that will come.

With prayer, multiply the graces that you have received; with your consciousness, consolidate your union with universal life. Remember your origin, your purpose, and your destiny; remember that the end of the cross is the universal triumph, as long as you live it with love and gratitude, overcoming and renewing yourself in adherence to the Divine Purpose.

Know, child, that you have received everything to live this moment. Contemplate the mirror within you and find your fortitude there.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
