**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN TAHLEQUAH, OKLAHOMA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

### **Fiery Bases of a Community and Group Life - Part IV**

The Community represents a flower in the Heart of the Master and within this flower lies the active and serving lives of the souls that reflect devotion and the spontaneous love of serving God.

Thus, around My Heart, there are other flowers that represent other Communities throughout the world, which, through a work of altruistic service, serve the souls most in need.

By the presence of each one of the flowers within My Heart, I return to the world to again build, in these times, the new People of Israel, so that this people, who will be integrated by a diversity of souls from different nations, may be able to form one of the most important Aspirations of God.

For this reason, your Redeemer carries upon His Heart the Twelve Communities, which are the twelve flowers that represent the twelve new tribes or peoples that, spread throughout the Earth and by means of their cultures, will form the new family of Israel after the transition of the Earth. And, thus, they will bring continuity and value to that which the Celestial Father thought from since the beginning.

All of this is an ardent Aspiration of the Heart of Christ, and, for this reason, your Lord returns to the world to carry forward this task of preparation of the inner worlds that have been called to participate and build, in the physical plane, this ardent Aspiration of God.

This is the time for souls to know that a Community is not just a material rhythm. The Community of God has an inner rhythm, and this rhythm leads it to live its learnings and lessons according to that which the Universe expects.

The Community can attract its own light or move its own light away, according to the consciousness of all its members. This will allow the Community to either become a symbol that represents the sacredness of God, or not.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
