**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

May the Kingdom of My Peace be your path, one that will bear fruits for the Lord. Walk in My Maternal Trust. May My sword that cuts off evil alleviate your tired hearts.

May the Light that springs from My glorious divine source be the rain that purifies your beings and washes your faces. May My merciful eyes be the hope that gives impulse to courage and strengthens you to transform life into a temple of consecration to God.

May My Universal Mantle be the home where your hearts of pilgrims may rest and may find the refuge that your souls seeks so much. May My Immaculate Heart be a replica in your little heart so that your soul will imitate My path of Union and Love for God.

As you will be able to see, dear son, dear daughter, nothing in the Kingdom of God is separated. Try to live in My humility so that you may discover the Divine Love that is life for your souls and a balm for your hearts. When you succeed in feeling My Immaculate Heart, you shall sprinkle with My holy water the path that you have traveled so that consecrated to My Heart you may see the New Light that comes towards you.

Remain in My Heart. Repose your face upon My Being. Cover your face with My Mantle. Feel in peace with Me and no evil will be able to disturb your little hearts. Step forward exercising the maturity of the feeling so that, bathed by My original purity, your hearts may perceive My Love and My Trust. Do not forget to enter in Me and to come to Me in prayer so that in your simple pleas, you may elevate the world in pain to the feet of the Lord.

Come to Me, I protect you. Come to Me, I love you and I will bless you. I wait for each one of My children to follow this journey towards My Immaculate Heart.

May peace reign in life. May My Light spring in each heart. Love My Peace. Embrace My Peace. Live My Immaculate Peace.

Who loves you,

Mary, Mother of the Divine Conception of the Trinity
