DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN FATIMA, PORTUGAL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Opening the doors of My Heart, into My Soul I bring the warm love of My children, and I take refuge in them so as to be able to continue walking and assisting this humanity.

Opening the doors of My Heart, into My Spirit I bring the warm prayers of those who are confirmed in the mission to pray for peace.

Opening the doors of My Heart, into My Essence I bring the pure offerings and sacrifices of those who surrender their lives into the Hands of God.

Opening the doors of My Heart, into My Consciousness I bring all those who feel in themselves the movement of the Mirrors, and in this humanity, generate the opportunity for redemption.

Opening the doors of My Heart, into all My Being I bring the offerings of the simplest pilgrims who, in faith, in love and in trust, seek union with God through My Immaculate Heart.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
