DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today we reach the end of a cycle and the beginning of a new stage.

After these last months of retreat, My Maternal Heart has been able to contemplate, with joy, the maturity, seriousness and responsibility with which each praying heart undertook the mission of praying for peace in the nations; and I have also been able to contemplate, My children, the positive and global effect that this daily work lovingly built, in recent times.

For this reason, dear children, it is today that I can say that I love you and that I have always loved you, because I know that within you there are great possibilities of loving God and of helping to express, on the Earth, His Plan of Love and Redemption.

I want to tell the world that I have a strong praying army today, consecrated as Children of Mary, who already understand and live the importance of manifesting the Will of God.

For this reason, My children, never tire of praying and supplicating because prayer opens the doors of the Kingdom of God and the Grace, which is infinite, can be poured upon all of My children.

I invite you to continue spreading this important request.

I invite you, each day more, to open the doors of your groups of prayer so that more souls may be consecrated by the Mercy of God.

My children, keep this loyalty with Me. Let nothing make you doubt or oscillate because within this cycle we are building the triumph of My Immaculate Heart within each being.

Dear children, I encourage you to keep collaborating so that My Plans of peace may be concretized in humanity and all the conflicts may end.

My children, today I pour the power of the Light of God upon your souls so that, strengthened by faith and filled by wisdom, the Celestial Father may grant the world a longer period of peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
