MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE AND LADY OF TEARS OF SYRACUSE, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Today, children, I come to this place, on such an important day for Me, to bring the Graces and blessings that I am able to pour upon the world, through the prayers of My children, so that this nation may be redeemed and these people may be liberated from the chains of error and of sin.

Today, I come to dry My tears with the Sun that ignites in Fatima, by the victorious prayers of all praying beings that unite to My Immaculate Heart. I come to expand My Kingdom of Peace amongst nations so that human beings may no longer be under the yoke of darkness, but rather under the Light of My Love.

I come here on this day not only to shed tears but, above all, My children, to deliver to you a warning and the opportunity of redemption.

Repent of your sins and cry for Mercy. Return in prayer to the Heart of God, while there is time. Ask the Father for forgiveness for all that was done up until now and decide to renew your paths and your souls.

As your Celestial Mother, I come to this place with My Scepter of Light and with the potency of My Celestial, Universal and Divine Mirrors, to liberate and heal everything that you permit Me to, with the sincerity of your prayers.

The miracle that I come to accomplish on this day is spiritual, a miracle of redemption and of reconciliation with God so that you may recognize the divine Presence within My Presence and, before the Father, cry out for awakening.

Pray with Me to remove, from the essence of the seas, the suffering and the pain of the souls that have become lost and that have constantly cried here for not knowing peace. Pray with Me to ignite a Divine Light here, to open the path toward the Scepter of the Will of God, liberating the potency of evil and of deception so that thus, children, you do not lose the opportunity of knowing love and forgiveness.

I come not only to make your faults evident, but also to show you the path to redeem them. Listen to My Immaculate Heart and cry with Me. If you just open your hearts and repent sincerely, I will be able to intercede for you and for all souls, before Christ, so that they may know peace again.

Aspire, on this day, to recover the purity that has been corrupted within your hearts, and to strengthen faith and unity with God.

Your Celestial Mother comes to meet you for a Divine Will and not for a human will. I asked to be here on this day, to bring the potent rays of redemption that emanate today from Fatima, so that they may be poured out upon this nation and thus, the roots of darkness can be torn out from your

lives.

Therefore, accompany Me today with love, and do not try to understand the things of God, but open for His Wisdom to let you know His Truth, and for the pure feeling of My Celestial Love to be sufficient so that your hearts may know that I am here.

Today I listen to your prayers and welcome your hearts. I know how much you suffer and how much your souls aspire to find God. Therefore, pray, pray with Me and you will find peace and liberation, to be in My Kingdom.

Who blesses you,

Your Mother Mary, Rose of Peace and Lady of Tears of Syracuse
