DAILY MESSAGE FROM MARY, ROSE OF PEACE, TRANSMITTED IN THE SACRED HOUSE OF MARY, MADRE PAULISTA, CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My dear and beloved ones,

My adversary takes many souls to sin and perdition, seeking each day to hypnotize the minds more and to poison the sleepwalking hearts. On the other hand, My Immaculate Heart achieves the victory of the Kingdom of God in the most simple and prayerful souls.

All this reveals to God the Father a possibility of continuing to pour His Graces on the planet, which would otherwise be destroyed by now.

But your Celestial Mother is determined not to leave any heart behind. This is why, My children, every time that you face the battle of the end of times, you should know that thousands of souls are being helped to find the way of the spirit and encouraged to abandon the life of illusion for a life of conversion.

For this reason, My adversary will no longer make the souls suffer that he formerly chained and tortured, subjugating not only the soul but the whole life. This will no longer occur in the hearts of My beloved Africa, because the Lady of Kibeho is calling and summoning the last armies that will collaborate and support during the three cycles of darkness, before the Lady withdraws into the desert for the world to experience the final judgement.

Children, it will not be necessary that you wait for the signs that will announce the end of times; look now how your planet agonizes and asks for mercy and compassion. Nature and time are speaking. The lesser Kingdoms have been suffering for a long time. The whole world and its spiritual consciousness can bear no more.

In these times, My Heart is training you in the way of purification, of transmutation and of the surrender of your own life to the Creator God. I would like, children, that there were no transmuting souls and that the eternal suffering would be liberated by other means; but truly I say to you that since the beginning of this world it has never been different. That is why My Son incarnated in Power and in Spirit, so that the world would find another opportunity.

Beloved children, the times will mark a new cycle and you need to be prepared for this; you will always count on My maternal help.

In Uganda, a door to the redemption of the souls is now opened and it will favor many more souls, but especially those that were most ungrateful to God. The hour of surrender will come to all of them.

Therefore, My adversary is determined to make My soldiers suffer, but who is with Me will not perish, because a good mother never abandons Her children.

I am your star. I am your shield. I am the Lady of Peace and the Queen of all the hearts that I have conquered.

With My feet I tread on the snake and evil will be liberated some day.

I thank you for accompanying My call!

Who restores you in the essence of the Universal Love,

Your Mother Mary, Rose of Peace
