Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

Every day, I gently look at you and, through your souls, I try to see the precious Presence of Christ.

In this way, I draw closer to the most lost of humanity to guide it to the purpose it has lost sight of.

Every day, I look at the world and see that many times you repeat all your errors. As in a vicious state, humanity does not manage to get out of its own abysses on its own.

For this reason, time and again, the Lord sends consciousnesses so that they may unconditionally serve Him on this planet, so that they transmute and endure sufferings similar to that which Jesus experienced.

The Lord calls those saints of the last days, souls that will experience a great sacrifice for many more and will do this in a most profound silence; so this will not be news anywhere.

In this way My eyes contemplate them and, as a Mother, I accompany each step those souls will take out of love for God. To the rest of the children, it will be enough to pray for these souls.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
