DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I come with the Sun, with the Child Jesus in My arms, to bless the world and ask you to pray.

Pray for the souls that agonize for not comprehending the tests of these times, and pray for those who committed themselves to the planetary rescue and do not fulfill their missions.

Pray for those who are sick in spirit, submitting others to suffering, and pray for those who suffer due to living the injustices imposed by humanity at this time.

Pray for the Kingdoms of Nature, more and more outraged and forgotten every day, as if they were not part of the Divine Consciousness. The humanity that mistreats them does not know that it is God Himself that they offend and kill, every day.

Pray for the planetary consciousness that, despite sustaining the Earth, lives the constant indifference of humanity who, blinded by their ignorance, do not know their spirits or even give thanks for the life that is given to them.

Pray, children, because the world needs repair, the souls need salvation and the moment has come for the Earth to enter other Laws, another time, another cycle of its evolution, in which the suffering and ignorance that lead humanity toward a lack of love will no longer take place.

Your Father and Friend,

The Most Chaste Saint Joseph
