DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

If you do not pray, the old boat will be shipwrecked at sea and nobody will be able to save it nor everything that it holds within.

The old boat always supported itself through a dogma of faith that has not been worthy; for this reason, its old structures will be shaken, just as a storm passes through and cleans a place.

But who will help in supporting the old boat? Those who inhabit it? No, do not expect anything from them.

The triumph of Love will be that which will save it and will not allow the old and sturdy boat to be lost on the high seas.

That is why, I come as the Fisherman of hearts so that from those least thought of, from those who would have had no value, may spring forth the inexhaustible source of this Love which will save the spiritual matrix of the old boat and all of that which shapes it and inhabits it.

After the tempest, it will be placed where it never was. For this reason, the fortitude of the old boat will be broken; so that its most recalcitrant roots, which will be purified of a history of hidden errors, will be released from that secular sentence.

From the simple ones will spring forth the strength of the faith that will lead to a safe harbor the old boat which, redeemed from its actions, will find a new spiritual meaning, the feeling of becoming aware of having distanced itself from Love.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
