DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LOCALITY OF SAO JOAO BASTISTA, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Third day

And now, My child, by means of your prayer, remove, from the Heart of your Master, the bloody thorn of those who slander and deny My Work in these times.

Ask the Celestial Father for Mercy and offer Him My Pain as an atonement for all those who were with Me before and today turn their backs on Me.

How painful the thorn of betrayal is, which these companions of Mine, who are blind, cause me!

But you, My child, fix your gaze upon the infinite Mercy of God and raise your prayer and your thought to Heaven so that the angels of Justice may stop the execution of the celestial mandate, that they have received, to carry out.

Feel mercy and compassion for those who slander Me and deny My final Work in various ways.

Let the Fount of the Mercy of God be poured out, like rain, over the souls that have truly become blind for having distanced themselves from the Love of God.

Accept, with humility, the rejections and the denials that the Master received on the part of those who before used to say that they would be with Him until the end.

But, in all of this, do not seek justice nor any act of revenge on the betrayers, not even in thought.

Separate yourself from this chain of evil and act intelligently, but above all, with true love, just as I acted during the Passion.

May My Pains, which My Thorned Heart feels, serve as an atonement, as forgiveness, and as consolation, so that the doors to betrayal may be closed and all may remember that the essence of My Work for these times is based on love and unity.

Just follow My example.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
