**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

My children,

May today your hearts be able to understand and venerate the Special Grace that your lives are receiving by means of the exercise of prayer and in the name of the Love of My Son.

Dear children, this is why I invite you to pray more with the heart so that God the Father can hear you and My Maternal Heart may continue to come into your lives. The mission that God entrusts to you is to pray for the salvation of all souls, because, in this time, dear children, everyone will have one last Grace: to live the Conversion.

Before the Divine Universal Judgment approaches the world, you, My little ones, must be in deep and true prayer so that the willingness to pray every day may be born in you.

For this reason, dear children, the renovation of the groups of prayer is so important, by means of monthly meetings that allow the strengthening among the groups and the encouragement to serve God and to be less invaded by the realities of the world.

Each group of prayer must be the Light of Christ in the world, and for this Light to shine in the darkness, the flames of Christ that are each one of the souls must be united in the mission and be humble from the heart, because in this way the Holy Spirit will be able to guide and bless the existence of each praying group.

My children, today I communicate to you this important mission of the end of times for all of these praying groups. Know, My dear children, that My Maternal Heart will be among you, accompanying you at the moment you begin your exercise of prayer.

Dear children, it is now time for fraternity to be born from hearts so that the task of praying in group among sister souls may have universal repercussions. But for this to happen, it is necessary to have much humility and to be empty of yourselves, because in this way your meetings of prayer will be victorious and you will be united to My Maternal Purpose of salvation.

Today, dear children, I thank each one of the praying beings and devotees for being responsive to My urgent call for prayer and peace.

I thank you.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
