**Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil to the visionary Friar Elías del Sagrado Corazón**

Today the Sacred Hearts of Mary and Saint Joseph come to you with the wooden scepter in Their hands to tell you with this that the humble Justice of God will descend upon the world to purify it completely and thus be able to bring peace.

Dear children, the human heart causes much evil and much harm because it lives in pain and has forgotten to feel loved; its repudiation and blasphemy are generated by having closed its spirit to God, by not knowing what Mercy is.

At this time, in which the enemies and the persecutors strengthen their plans against My Plans in the world, you live in love, because in love you will know peace, and they will be touched at some point by the Love of God, a Love that they have not experienced for a long time because they live a mental and imaginary love.

Just as My Son has asked you to pray for those who persecute you so that, at this crucial moment for humanity, all those who promote public and social slander, within and outside My Holy Church, be considered by the Mercy of God.

With eyes of compassion and consolation, see beyond everything, see how these souls suffer their captivity within a church subdued by the power and the relics of the past.

Dear children, let us pray so that the spirit of My Peace may protect you all, especially the priests of Christ who have under their care millions of souls and their good faith and credibility.

My beloved Son contemplates you and silently speaks to His Father because He already knew from the moment of His agony in the Garden of Gethsemane that this perverse time would come to His dear apostles in redemption.

I thank you for responding to My call!

In continuous prayer,

Your Mother Mary, Rose of Peace
