DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I reflect Myself, widely, by means of the Sacraments.

The Sacraments and their forms are the extensions of the Attributes and of the Graces that come from Heaven.

When the soul comes into contact with some of the Sacred Sacraments, it has the opportunity of going through the divine mystery and of uniting, essentially, to the Supreme Truth.

The Sacraments and their forms are like spiritual bridges of Light that conduct the soul toward the fulfillment of its purpose and of its mission on Earth.

The Sacraments put us in contact with the diverse Designs of God and they provide wisdom, reverence and devotion to those who live them and adopt them as standards of inner conduct.

In this sense, the Sacraments are still pouring blessings and graces on the souls so that the human beings may learn, through them, to overcome the inner duality, to live their individual and group purpose and, mainly, for all to learn to share and to live the Christian ecumenism and human fraternity.

The Sacraments are gifts, but they are also a means to live redemption. Their practice in daily life and the devotional and ardent value that we place before each one of them will allow the human being to receive the necessary protection to transit the end of times, in this moment of planetary chaos.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
