DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am still present, dear children of São Paulo, amidst your prayers and in your hearts, to now give you impulse in the collaboration with My Marian work and for peace in the world.

In these moments, your Heavenly Mother accompanies the meeting of prayer of Mercy and hopes that the flame of faith of your hearts motivates you to an awakening of the consciousness and to live peace.

While My Son sends Me to announce My designs to you, on the other hand, Your Heavenly Mother prays with all the fervor of Her Immaculate Heart in hopes that some consciousness completes the works needed so as to carry out the mission to Central America.

It is on this day that I bring you the spirit of responsibility before the Plan of God, so that you can live it and assume it as a priority in this time when everything is permitted.

I wish to see in your hearts the strength of this enduring inner confirmation, because it will be in this way that your Mother will have room and space to be able to develop Her work in humanity and in the world.

On this day of Mercy, may your lives join My call, because it is now time to concretize it and the whole planet needs it.

I am with you and I pray for you so that you may awaken to God, to the Greater Love.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
