**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

In silence, deepen in the spiritual discoveries that you are living. Do not let the impulses and the revelations pass as the blow of the wind, but rather let them remain within you, fertilizing your spirit, as does the Breath of the Spirit of God.

Let your soul sigh, relieved for receiving the balm of revelations that make it remember the meaning of life and feel that there is a hope of returning to the Heart of God.

Meditate on your spirit and on the higher life so that it may strengthen you and give you the possibility to stand firm enough within the divine purpose to help others who will lose their faith when everything is chaos and imbalance.

See beyond the horizon of the Earth, and all that is before it, the clear rising of the sun, which will come to illuminate a new life. Keep firm within you the knowledge of the true meaning of the events of the world. The planet is purifying to liberate itself. Those who will lose balance are who have built the foundations of their dwelling in the sand of their own skills and certainties, and not in the Rock of the Will and of the Plan of God.

Know that everything is part of a Plan drawn up from the age of the patriarchs and described in their words, although little understood by men.

The Old Testament was fulfilled in the New Testament, and the New Testament is fulfilled now so that, through this planetary moment, a new sacred history can be written, and in it may be found the prophecies of a new life and of a new human that will return to the Time of God and open the doors for all beings to unite with His Heart.

Hold on to this divine purpose and strengthen your being in faith, sustaining peace in your spirit.

For this, God calls you by your name and allows you to listen and read His holy Words. You are called to be an apostle of the last times, a saint of the last days.

Your Father and Friend,

The Most Chaste Saint Joseph
