DAILY MESSAGE OF GLORIFIED CHRIST JESUS RECEIVED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRASIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Everything that the Universe may tell you or reveal through instruction will lead you to the Truth and your eyes will not be blind; on the contrary, through divine instruction, you will manage to see a part and a little more than what you can normally see.

In this way, you will be able to be up to the events and in a spirit of premeditation, you will know what to do and how to proceed.

Thus, knowing everything the Universe reveals to you through instruction, you will walk firmly and even though at some point that instruction may seem extreme for the life of a being and for the definition of a consciousness, you will learn to thank it every day for not being absent or far from the Truth, which only tries to place you on a new level of awakening.

Know, then, to love the instruction just as it is and you will be able to be prepared to receive and hear new revelations, which in these times will only try to place souls on the correct path of definition and surrender.

In spite of everything, humanity has been warned many times that there would come a time when the Time of God itself would separate the chaff from the wheat and that everything would be said.

I thank you for keeping My Words in your heart!

Who always blesses you,

Your Master Christ Jesus
