MONTHLY MESSAGE OF THE MOST CHASTE HEART OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA TO THE VISIONARY SISTER LUCÍA

My dears,

I come today to transmit a message dedicated in a special way to the families, families that live their path in the world and families that begin the path of consecration and of surrender to God in order to live the new steps of humanity.

As the Most Chaste Heart I come to pour out this archetype of chastity upon each one of you here present and upon all of those who are willing to take steps towards the New Humanity.

Through the intervention of My Heart, dear brothers and sisters, you will be able to find the answer that you seek to unveil the path of consecration.

A family on the way to consecration must live, above all, chastity, unity and service as lived the Sacred Family of Christ 2013 years ago.

Brothers and sisters in Christ, those of you who may accept to follow this example of consecration must take the first steps in the life of service because through sacrifice and humility you will find the impulse to the consecration of life, above all, of life in family.

Service, dear brothers and sisters, will bring to you the simplicity and the love necessary to understand and to live a group life. It is for this that today I invite, in a special way, all of the families that seek to take the step of consecration to Me to accompany Me in this Mission throughout the world. And through My company in service, that I may teach each one of you how you must live in the New Family as a preparation to live the coming times of humanity.

Be open, dears, so that My consciousness may be able to sow in your hearts the archetype of the New Family and of the New Humanity. This is one of the reasons for My presence in this time. May you, by means of My consciousness, be able to wake up to the true life - a life of humility, chastity and simplicity - a life of consecration day by day, in each daily action, awakening the sacred in all that seems to not be so.

I thank you for receiving My Chaste Heart.

Saint Joseph, Missionary and Worker of God.
