DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED ON THE EAGLE OF LIGHT BUS, DURING THE JOURNEY FROM THE MARIAN CENTER OF AURORA, AND THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Experience in yourself the essence of forgiveness and begin by forgiving yourself: your past, your mistakes, your deviations, your ignorance. Forgive the present and leave to the future the learning of an even greater possibility of forgiving.

Then, forgive your neighbor, remembering your errors and your imperfections. Forgive based on the understanding of the origin of humanity and of the depth of the roots that lead it to make mistakes. Forgive, uniting the capacity to support your heart with the knowledge of your consciousness and make use of each aspect of your being in order to learn how to love and to forgive.

Child, forgive then the consciousness of nations and all that, as nations, they cause to the planet. Forgive humanity as a single consciousness and open a door for the source of the Forgiveness of God to descend upon souls.

Argentina - where the Divine Messengers are heading at this moment - needs to receive from the Creator the source of His Forgiveness, not only to be forgiven itself, but so that each one of its members, those who today form this nation and those who are no longer part of it, but that are tied to it by bonds from the past, may learn to forgive and, through forgiveness, may liberate their bonds with evil, with darkness.

That is why I will ask you, child, that in the depth of your heart you work on forgiveness and, especially during this month, that you keep this Attribute of God as a priority to be attracted and manifested.

It is the willingness of each creature to experience a certain divine attribute that makes it descend to the world. Therefore, you shall start by forgiving and attracting forgiveness, so that the liberation of souls may happen in a harmonious way and those that are trapped in the pains of the past may find a way out towards light.

May forgiveness be the first step for the path of redemption. May the search for forgiveness be the key for Mercy being poured out upon souls.

Even if you have no apparent bond with the history of certain nations, remember that the errors committed today have very deep roots that do not come from this world. Therefore, all humanity must collaborate in the redemption of the planetary life as a whole and, above all, those that are more conscious must generate merits for the awakening and salvation of those who are asleep.

Thus, search for the essence of forgiveness, and cry out to the Father for His creatures to recover the capacity of forgiving.

Your Father and Friend,

The Most Chaste Saint Joseph
