DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???

Rediscover every day the love of the Plan of God. Feel in your heart how this Plan is alive and does not shape itself to the structures of the human mind. Observe how the Will of the Creator moves - by means of requests and words of His Messengers - and so learn to think and to feel as He does.

Child, you must dispose your inner world to the transformation every day, for you to follow the permanent movement of the universe and for you to learn, in this way, to flow in the divine Laws.

Before wanting to limit the words of the Messengers of God to the small comprehension of your mind, let it be transcended by the potency of the heart and allow your consciousness to live an expansion that takes you to the universal Thought.

In order to be an operating part the divine Plan and for the Creator to make of you His instrument, you must open yourself to feel and to think as He does: without limits, without rules, without logic.

Your heart already knows the higher reality, but it needs to remember; therefore, let it deepen internally in the contact with the Father, and that vigilant and attentive to the divine Thought it may reencounter the higher Laws, from which it once emerged.

There will come a time in which the human beings themselves will have to lead this planet under the Will of the Creator, but until this moment comes, you must rebuild the capacity of union with God every day; you must relearn to enter into the divine Thought; you must love His Will and reencounter, in your consciousnesses, the capacity to unconditionally obey the Plan of God, that is unique and perfect for each creature.

Observe yourself, child, and watch yourself every day for you to leave each time more aside the old being and their linear thought, for you to discover the gift of thinking and feeling with the heart, when it is within the Heart of God.

He who blesses you and leads you to the new humanity,

The Most Chaste Saint Joseph
