DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE CITY OF JOINVILLE, SC, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS?

Children,

To find true peace, you must aspire to live it and search for it beyond yourselves, your own tendencies and your own stimuli. Because at this moment what the human consciousness is impelled to live is the search for power, competition, victory over others in everything, no matter the way it takes to reach its own goal. In these times, the minds want to be right, they want to prevail and to excel. All of this makes it difficult to establish peace, for constantly generating stimuli for conflicts, inside and outside beings.

To live in peace in this time, you will have to renounce: renounce being right, exceling, imposing you own opinions, concretizing your own ideas.

To be at peace, you will have to live in the spirit of humility. It does not mean that you will be inert, indifferent or without acting on the Plans of God. You will renounce what comes from yourselves, because what comes from God will open the doors of manifestation, without being necessary to impose anything.

What comes from God manifests itself also under the spirit of humility, and when you give an example of renunciation and live in peace you are dissolving the obstacles imposed by the adversary for the manifestation of the Plans of the Most High.

The higher life is based on other Laws, different from the laws of this world. To live them, you will have to be humble and peaceful.

The one who loves you and calls you to the pacification of the heart,

The Most Chaste Saint Joseph
