WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Child, while the world agonizes, the spirit of the Earth clamors for Divine Mercy and souls are distracted, seeking the meaning of their existence on the things of the world, put your heart in the Heart of God and make true your surrender.

While the Kingdoms of Nature clamor for the awakening of humanity, so that there will be no more suffering or wars for the lack of love in the human heart, put your heart in the Heart of God and make true your surrender.

While so many young people lose themselves in the search for pleasure and distraction, in order to not realize the emptiness of their lives, put your heart in the Heart of God and make true your surrender.

The minds are unbalancing themselves and the hearts getting dark, because beings resist in seeking God. Pride has blinded their eyes and they do not recognize the freedom of returning to the Father. To balance the human mind, child, put your heart in the Heart of God and make true your surrender.

The desire for power has blinded many men and women, who no longer measure the consequences of their actions, and with the injustice they generate, they only attract, every day, the Divine Justice. So that Mercy will protect innocent souls, put your heart in the Heart of God and make true your surrender.

While the desire for conquering has no longer boundaries in human hearts and minds and very few recognize the Grace of not having anything and being nothing, child, put your heart in the Heart of God and make true your surrender.

Everyone realizes that chaos is growing within and outside themselves, but many are seeking to hide themselves in the illusions that the enemy offers them more each day. But you, child, put your heart in the Heart of God and make true your surrender.

If the stimuli of the world knock on your door and call you to a life void of meaning, put your heart in the Heart of God.

There is no meaning to a human life outside of the Truth and there is no Truth distant from God.

Child, put your heart in the Heart of God and make true your surrender.

While the world seeks all, be nothing.

While the desire for power and for conquering expands, be nothing.

While souls distract themselves and do not measure their actions and their thoughts, be nothing.

The only way to make the world different and prepare, for the years to come, an Earth that knows Peace, is putting the heart in the Heart of God and making true your own surrender.

Serve, child, with the greatest service you can give to this world: not to want anything, not to desire anything, to be nothing and, beyond all things, to love with your heart in the Heart of God, making true your surrender.

I will accompany you.

Your Father and Friend,

The Most Chaste Saint Joseph
