DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Be guardians of peace in the world and pray for those who proclaim peace.

Pray for those who struggle for a planet of fraternity and hope because, without knowing, they are opening the path for a New Life and a New Time.

Pray for those who sincerely love life, the Kingdoms of Nature and the human beings and who, day and night, search for ways to expand respect and love for the world.

Pray for those who do not pray and silence those who do not respect their fellow being and who, with their word, create a lack of union and of love.

Offer spiritual repair for this world. Believe that through your prayers new laws will be attracted from the Universe to transform material life, which is out of alignment and imbalanced.

Pray for the protection of your brothers and sisters who, in the four corners of the world, take forward planetary tasks with the faith that Love will be established on Earth.

Trust that all effort is valid and even the smallest one can transform the destiny of this humanity and of this planet.

That your prayers be each time more sincere and embrace this world.

Children, pray for peace and be the peace of this planet.

Your Father and Friend,

The Most Chaste Saint Joseph
