DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When you defeat evil, everything around you moves, as its greatest ideas are dissolved by the ray of Love of the Creator.

A subsequent movement happens after every battle because, in this sense, the obstacle that previously held the souls trapped is broken by the imperative fire of the Will of God. Nothing remains in the place that it used to be. The cycle of purification begins and the deepest things are removed from the place where they were.

For this reason, children, the defeat of a fraction of evil implies many results later, which allow the transformation of everything.

Everything that happens in this time, like everything that the consciousness receives, is part of a mysterious destiny that opens before your eyes to be able to recognize it.

The time has come to respond to the needs of light since the world, in its own hypnotism, cannot awaken to the call of an evolution without limits.

It will be necessary to fulfill the part that corresponds to us. This alone will alleviate many things.

Thank you for responding to My call!

Who Blesses you,

Your Mother Mary, Rose of Peace
