DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Surrounded by the Twelve Stars of the Attributes of the Universal Mother, today I cause all the Divine Principles to descend upon My children and, as a result, upon the planet so that at this moment of purification souls may learn to be in God and to seek Him at all times.

This will prevent My children from being distracted by the things of the world and allow them to be fortified, whole and available for the prayer that impels them into transformation.

My Twelve golden Stars come to the world to ignite the Attributes of God in souls and so that they may remember these Attributes in these times, which will protect them from all that the world will face.

Within these Attributes, you will find the necessary bases to affirm your life of consecration and to affirm your life of altruistic service for humanity.

From the Attributes of the Universal Mother will come the impulses that you need to make of your lives the spiritual model that the Father thought of for each one of you.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
