DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I descend to the world, enveloped in the Light of God, to be able to pour out all the divine rays of the Spiritual Universe.

I descend to the world enveloped in the Light of God, to elevate the souls towards the House of the Heavenly Father.

I descend to the world enveloped in the Light of God, so that My Divine Rays may touch the hearts that need much redemption.

I descend to the world enveloped in the Light of God, so that the essences of God recognize their filiation with the Universe.

I descend to the world enveloped in the Light of God, as Mother, to make the hearts know the potent Love of the Father with all that is created.

I descend to the world enveloped in the Light of God, to awaken the sacred commitment of the creatures with Creation.

I descend to the world enveloped in the Light of God, to be with My children giving them the impulse towards the true change of consciousness.

I descend to the world enveloped in the Light of God, to bring the spiritual cure that many souls need.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
