DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF THE CHILD KING, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children,

May peace exists for ever in your hearts and may it be the peace of My Immaculate Heart that which may encourage you to live all the time the inner transformation that will be the mirror of a great external transformation.

For this, children, with gaze of kindness and maternal love, I am introducing you in this last stage of the redeeming path, which My Son offers you for this time. By living the cycle of your purification, you will find inside yourselves all of which must already die so that on the day of tomorrow, My dears, you may participate in the Kingdom of God.

With your purification and service, the world will transform itself and it will no longer be necessary that the souls suffer the price for their own decisions.

In the spirit of permanent prayer you will find the master key which will allow you to transcend the end of the times and the inner time in each being.

Risk yourselves to surrender to your Celestial Mother that which attaches you the most to this material life. Entrust to God your families because, due to your untiringly service, the Plan of the Most High is being repositioned in a higher celestial sphere.

Be for this cycle that which you have never been. Be apostles of My Son, those who do not separate themselves from the purpose and neither deviate from the path of the inner evangelization that Christ is performing through their lives. While the world faces the result of its decisions, your Celestial Mother comes to help you to redirect the inner dwelling of millions of hearts towards the true universal principle: towards Christ.

Unite yourselves more and more to My Immaculate Heart and do not allow, children of Mine, that the misleading ideas of the enemy enter your minds and dwellings. So that this may not happen, affirm in your lives that you will live this time to answer to the designs of My Son Jesus. In this way you will be true soldiers with whom My Son will count on to carry forward the purpose of guiding this outraged humanity towards the supreme school of rehabilitation.

Open the doors of the heart in order that the words of the Celestial Messengers may arrive deeper and deeper and thus, the Kingdom of God may be established in each interior.

Entrust to My care your dear ones, share the mercy that you receive every day and together, with Me, let us rebuild this decaying humanity.

Despite the consequences, through your faithfulness, you will make My Immaculate Heart triumph.

I thank you for answering to My call!

Who summons you to the praying army of light,

Your Mother Mary, Rose of Peace
