DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Consecrated child:

Renew yourself on this day and celebrate for being part of the Work of Mercy and Love of your Redeemer.

Renew yourself within confirming the internal vows that you have made before your Master and Lord and do not worry about anything because if I am part of your life and your existence, you have to believe forever that everything, absolutely everything, is under My sovereign Power and that nothing similar to your Lord will be able to interfere.

For this reason, with eyes full of joy and light, My child, celebrate this day of confirmation and re-consecration to My Paternal Heart. May this inner affirmation allow the new purpose to be built in you and may this purpose embrace more hearts.

On this day of renewal for each consecrated person, let there exist no fear, doubt or lack of faith.

May every consecrated soul know that it must always do its best so that the Sacred Heart of the Master may triumph in order for more uncertain doors in the world to be closed by means of the intimate communion of the spirit with the Savior of the world.

May this day be a reason for celebration and not of anguish, of hope and not of bitterness.

May each soul, who consecrated themselves to the Redeemer, look with an ardent aspiration towards the firmament and, at some point in sidereal space, find the return of Christ, first in its heart and second, in this sorrowful planet.

May each consecrated person offer their consecration and above all their human heart to be a repository of new virtues and Graces so that this Order of love and brotherhood, which I have previously founded, may receive the Grace of new vocations, of the awakening of new talents for these times, in which universal love and peace must reign.

Receive, from your Master, the paternal blessing so that each soul consecrated on this day may again say to My Heart: *"My beloved Lord, here I am to serve you, to fulfill Your Will"*.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
