DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF ÁVILA, CASTILLA Y LEÓN, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When a simple but honest heart responds to the call of Heaven, on the spiritual plane of the whole humanity, a channel of light and correspondence with the Celestial Kingdom is established. It is in this way, dear children, that through simple hearts that respond to Me, I can dissipate the currents of evil and drive them away from My most lost children.

When a simple heart responds, a new Law acts upon the consciousness and what once seemed very difficult to transcend becomes possible, and the doors to the new life open so that the heart can take up its task again. Therefore, dear children, have a simple heart; in order to have it, you must work diligently on humility, which will lead you to find the simplest path of all.

Simplicity, dear children, does not mean extreme austerity, abandonment, or untidiness; a simple heart must reflect transparency, rhythm, and inner ceremony with the rhythm of the universe as it is gradually revealed to you. It is the lack of simplicity that leads to wars and conflicts.

Dear children, be simple of heart just as John was, even when he was at the foot of the Cross; a being that counted on the Celestial Mother to nourish himself with motherhood, love, and wisdom.

If the world were truly simple and more innocent, nothing evil would happen in this time.

I invite you at this time to be the bearers of a simplicity that brings you, in your hearts, to see the true needs of all souls and of the planet. In this simplicity of heart, you will be victorious in your humility and redemption before Your Master and Shepherd.

May the simple and pure of heart enter the Kingdom of Heaven to adore the Glory of God.

I thank you for responding to My call!

Who blesses you always,
