DAILY MESSAGE OF THE GLORIFIED JESUS CHRIST, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

For Me, what prevails in you is not your imperfection but indeed your truth is important to Me; because in the truth of your heart you will learn, with comings and goings, to reach that truth towards inner freedom, where nothing remains imprisoned or bound.

This is how the truth of your consciousness before the Universe will allow your being to approach the Laws and, although they are unknown to human consciousness, you will be able to unite, in essence, to this great universal mystery.

Let this truth, that can be born from your being, help you radiate the essence and the Truth, beyond imperfection, because in this way you will attain Truth through transparency and you will be able to live a real life without illusions.

Through the Truth, you will be within universal balance, although you will still have to keep overcoming duality.

Then, serve yourself from the Truth so that It may take the first place within your consciousness; thus you will remain in the Father, and in the Heavenly Father you will live the Greater Will that brought you to this life.

Truth is based on the sincere love of the surrendered heart.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
