DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Everyone is unaware of the existence of the history of their origin, but the majority who live the spiritual path feel within themselves the reason for having come to Earth.

In truth, the Earth was chosen to be the witness of innumerable and complex processes of redemption.

The Son of the Father came to Earth to point out and indicate the path of return to the original essence.

For this reason, up until today, and until the Master returns, the veil on the consciousness will exist, that which keeps the truth and the reason, for having come to the world to attend the School of love, forgiveness, and redemption, behind it.

Meanwhile, only some chosen ones, with the permission of the Eternal Father, have the grace of learning and knowing of the existence and the history of the coming of souls to Earth, through the revelation of the truth about each incarnated spirit on this planet.

The veil on the consciousnesses also prevents them from committing the same mistakes from other times and from acquiring the same amount of debts.

All those who have not yet received the revelation about their existence and about their history, whatever it is, is because the time has not yet come for them to know that truth, until they live the process of absolute forgiveness and redemption.

Some Sacred Centers, such as Aurora, have that mission, at the end of times, of leaving, in ample evidence, the existence of those that are touched by its blue flame.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
