DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

It is the Will of God, dear children, that the Work of Love and Redemption of the Divine Messengers reach, in an ecumenical, fraternal and serviceable way to the youngest ones in the world: to all the children.

After establishing the international agreement of cooperation between all the nations with the different refugees of the world, and on the eve of the special meeting of Mercy, God is asking you to take one more step, as Work, and this step will now, be planetary.

It is thus that through your mission and humanitarian services, without religion or creed, but yes of a loving and open heart, your Heavenly Mother needs to reach through you, the most unprotected children in the world, those who suffer the wars, the conflicts between nations, poverty, illness and persecution.

Until now, the Planetary Missionary Network was in an ambit of training and preparation. From today, the Planetary Missionary Network will be integrated by the contribution and service of one part of the Work, which is the Planetary Light Network.

In that way, dear children, it is the Aspiration of God that, by means of union and brotherhood with the international organizations, this Work attend, on an international level, to the children of the world in situations of war, of conflicts and disintegration of their families, so that My Maternal and Immaculate Heart intervenes in the rescue of those essences.

From this new cycle, after the last 8th of August, the situation of the service and assistance to humanity by the Whole Work has changed and has expanded on a world level.

I would like you to understand that, through your hands and your hearts, your Heavenly Mother will try to reach all those suffering souls, the ones that for different circumstances have lost contact with love and hope.

In this phase, the Order founded by My Beloved Son will also perform specific functions within this humanitarian service.

That is why you must be available, because through the international organizations you will be able to attend and serve, for Christ, in nations of the world never concurred or visited by your group, where situations of risk or malnutrition of innocent children unchain.

My Mission with you is that someday you learn to place the planet and its humanity in your hearts, since all the impulses given to you in the last thirty years, have been a preparation for this cycle of planetary emergency.

Remember that these humanitarian services prepare the Second Coming of Christ.

I add, My children, that servant souls of different ages could present themselves that Will come to you moved by the impulse to help dissolve the conflicts in humanity.

Let us go forward!

Who blesses you,

Your Mother Mary, Rose of Peace
