DAILY MESSAGE OF MARY, ROSE OF PEACE TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Souls will come to the surface of the Earth that will renew the planet in this acute cycle and they will bear within themselves the impulse of Christification.

Souls will come that will awaken to universal life, and as a consequence, with their awakening they will stimulate the interest of other souls in the Christic path.

Souls will come that will emit the precise note, which will help transform a greater part of things and which will cause movement in the position of those who have spiritually become stagnant.

Souls will come that will help change the cycle, and the whole universe will give impulse to this awaited movement. Time will change and all consciousnesses will have the possibility of receiving this impulse and of converting their lives.

Souls will come that will modify the currents in a positive sense, and all the universal fluids will be spontaneously retransmitted through them.

Souls will come that will awaken the planetary Christic life and will, for a short time, attract a current of universal peace, before the world is completely purified.

Souls will come that will be able to change events and that through their youth will motivate the change and the true ascension of consciousness.

Souls will come that, guided by Myself, will manifest an inexplicable state of Grace, something that will benefit the rest of humanity; they will be free souls that will aspire to comply with the promise of preparing the awaited coming of Christ.

These souls are near and the hour already indicates this.

I thank you for responding to My call!

Who blesses you always,

Your Mother Mary, Rose of Peace
