**APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

*Friar Elías del Sagrado Corazón de Jesús:*

*At the request of our Mother, we will pray the Hail Mary in different languages at the same time, responding to the call for a special intention She has.*

*We are waiting for the moment when our Mother indicates we are to begin.*

*Prayer: Hail Mary (in various languages, simultaneously).*

In the name of the Father, the Son and the Holy Spirit. Amen.

I come to the world to redeem hearts and to free souls.

Dear children, I thank you for responding again to My call at this time.

Yesterday's task brought about repercussions today. The Heavens, the angels and the archangels are acting for humanity, and therefore, also My Immaculate Heart and the Heart of My Son.

When yesterday I asked you to build this crown of roses, it was not just to show you the power of My Love, but also so that through My beauty, I can intervene for souls and also reach the hearts that are most closed to the Lord; thus, the power of your prayers that are born from the heart is very important.

Dear children, we are in the end time and the scriptures written by John are already being fulfilled. Everything being able to change depends on this humanity, and as I am a part of this beloved humanity, dear children, God sends Me among you to help you and guide you.

In the name of the Most High, My children, I want to tell you that I Am the Mother of all. My special coming to this country, as well as to other nations, has a spiritual and celestial reason, and I want this to be clear for all of My children, that I Am the Mother of the Divine Fraternity.

My prayer beads come to unite the religions at the end of this time, because all peoples must assemble through prayer. For this reason, My Countenance is in all countries and continents. What you call Me or what you name Me is not so important; what is important is that you open so I may be in your hearts; because as a Shepherd of My Son, I come to prepare the flock of the Redeemer.

Through My monthly Apparition, dear children of the whole Work of the Mother of the Divine Conception of the Trinity, I come to unite what is separate, mainly because of the indifference among hearts.

It is clear, dear children, that your prayer helps a lot in this time and also the prayers of all the groups that are devotees of My Immaculate Heart.

The aspiration of all My children should be to reach Heaven, and in this sense, dear children, I will accompany you. Thus, do not fear what may be said or what may be proclaimed.

Today, I come to remind you, dear children, of a teaching My Son transmitted to you: pray for your enemies and for those who oppose My Maternal Work.

The Heavens are observing all hearts and nobody can hide the lies in their heart. God is looking at this cycle I am living with each of you.

I invite you once again to peacefulness so your hearts are able to reflect purity, and in this way, dear children, the love in your hearts not be lost.

Do not allow anything to disturb you in this time, but rather, fortify your groups of prayer. The dark night is coming, dear children, and this is no longer a prophecy. Your eyes must be open to what is happening in humanity and you must pray a lot so that everything can stop.

Everything can be in the perfect Harmony of God. The world must be a rescued world, and consequently, all My children of this humanity.

Today, I come to transmit My one Truth to you, the Truth which the Heart of God transmits to Me.

As a Mother, you know that I love you, but that I also want you to walk in righteousness toward the Lord.

What is necessary, dear children, is that love emerges from the heart so that nothing can disturb My children, but rather, that you be united with God the Creator in this very definitive time.

Today, I am with two great brothers who accompanied humanity: John Paul II and John XXIII. This is the confirmation that I Am the Mother of all, the Mother of the New Church of Christ.

***Friar Elías del Sagrado Corazón de Jesús:***

*Our Lady is asking that those who can, should kneel, because we are going to recite a prayer for the communities of the world, so all the Plans of Christ, says Our Lady, are able to be fulfilled in all the hearts of the world.*

*Our Lady says: "Pray in truth, pray with love".*

*We will pray the Hail Mary, as we did at the beginning.*

*Our Lady says that we should concentrate our heart on the Light of Her Maternal Heart.*

*Our Lady is also saying that the Universe is observing us at this moment, the Universe of God.*

*Prayer: Hail Mary (in various languages, simultaneously).*

*Our Lady says that we are to unite in prayer with all the brothers and sisters who are united at this moment with the Apparition, and that we raise this prayer to the Universe, to the Heart of God. Our Lady says to free ourselves from our fears.*

*Prayer: Hail Mary.*

Dear children, may the Grace of God bless you and hold you.

Thank you for responding to My call.

The flowers you have bestowed on Me are beautiful.

In the name of the Father, the Son and the Holy Spirit. Amen.

***Mother María Shimani de Montserrat:***

*In general, we do not comment on what we see, because it is a task that belongs to Friar Elías; but today, some things happened that I feel it is important for us to comment on them.*

*Today, the Mother asked us for an exercise She had never requested of us, that we lift up our voice in different languages at the same time. And if for our minds it may be somewhat confusing, from the spiritual point of view, many things occurred.*

*When we obey without understanding our Divine Mother or Our Lord and we are able to concentrate precisely on their request, beyond forms, some things happen from Heaven to Earth that would be unsuspected for our consciousness.*

*While we, as representatives of humanity, recited this prayer, which through each language represented each nation, each group of humanity, praying on our knees and fervently to Heaven, the hosts of Our Lord, the hosts of Light, the angels, the archangels, were able to carry out great interventions at a planetary level, interventions of Light; because spiritually, it was a symbol that all of humanity was on its knees, praying to the Lord.*

*And when Our Mother said She was confirming She was the Mother of all and that She wanted to unite the religions, the beliefs and the prayers in this end time, we also represented that, because we are a profoundly Christian and ecumenical group.*

*For this reason, today a great door from the Heavens was opened so this humanity may be greatly assisted; and today, more than ever, we were able to see the power of our Divine Mother, the power of Her Redeeming Love.*

### ***Friar Elías del Sagrado Corazón de Jesús:***

*Almost everything has been said by Mother Shimani. Thank God, the Father shows everybody all things equally.*

*Today, in the preparatory prayer, the brothers and sisters of the prisons were very much present. And it seemed that some groups of brothers and sisters who are in the prisons were praying with us, and we could not understand why that was so insistently present in this prayer.*

*This then ended and the moment of the Apparition came. We saw that the Mother, as Mother Shimani was saying, was carrying out a task at different places on the planet, before reaching Uruguay. So everybody was able to see and feel that She was somewhat delayed in coming, but finally arrived.*

*Today She came as Queen of Peace; and as you heard, She came accompanied by John Paul II and John XXIII. John Paul II was wearing his papal vestments and a papal cross, categorically so; and John XXIII was dressed as a pope, but in violet.*

*They were present there, at the moment of the Apparition. And as everybody heard, She said She was coming with them to confirm that our Mother was the Mother of all, that She is not only the Mother of the Church, but also the Mother of humanity.*

*They accompanied our Mother during all the prayer work and the Apparition. And while we were praying, as Mother Shimani also said, some images were shown by the Divine Mother.*

*It's the first time we saw Our Lady battle against the hell of this world, and John Paul II and John XXIII also accompanied Her in that battle.*

*During the work of the Hail Mary in different languages, we also saw a significant task of liberation which took place in some part of the planet, and it was occurring through the communication we established between the prayer and the universe. And in the face of all those images, which were horrendous, our Mother protected us so they could not influence or be radiated toward this place; but in any case, the task was occurring, step by step.*

*And today, in the Apparition of the Divine Mother, we felt Her First Ray energy. We saw and felt, through Her Words, the Will and the Power of God. In that moment of the Apparition, we felt She wanted all conflict and indifference to end for once and for all. She was saying that a large part of humanity is indifferent to each other and that the Hail Mary prayer would allow some events to neutralize what could shortly happen. And today, in some way, the Mother was inviting us to become aware of what was happening in the world.*

*While we prayed the Hail Mary, She was showing us some very difficult situations, in different parts of the planet, which were occurring between brothers and sisters, and also between cultures or different races. She was showing us the indifference that existed between those brothers and sisters and the pain it caused God to see that reality.*

*And when She brought us that exercise of the Hail Mary in different languages, it was so She could intervene for the Universe, sincerely intervene for the religions.*

*And at the beginning of the Apparition, I remembered that She made two requests. She reminded us of the task She will do in Porto Alegre, and we asked Her if that task was for some special reason, why did it have to be done in Porto Alegre. She told us that in the south of Brazil, She would be carrying out a task of redeeming hearts.*

*And then, She clearly expressed the following Words: "A daughter of Mine, who is here, with her words, opened a door for Me so I can intervene for another Brazilian city". She spoke to us of Camboriú, and said She was waiting for us in Camboriú on December 2nd, a city in great need.*

*And She also said: "I will be in another place", referring to the image of the prisons. She said to us: "My children of Melo have also called Me, I want to appear in the prison", and we asked Her how we were going to do this if we did not have permission.*

*We asked Her: "What can we say?. "Say the following", She said. "That the Mother of God, the Blessed Virgin Mary, will be intervening for all those children; because they, who are My children, suffer a great deal". And She then invited us to be in Melo on December 15. She told us that on December 15, with a special rejoicing in the Universe, the Feast of the Immaculate Heart is celebrated, and that this Immaculate Heart will be received in the Melo prison.*

### ***Mother María Shimani de Montserrat:***

*I believe that nobody can imagine what this can mean for those brothers and sisters, that we have been visiting them for some time, that they have learned to pray and have hope, that they wait for us as nobody has ever waited for our coming.*

*So, I believe that we' will all be there, and this movement our Mother is doing is not only over the Melo prison, but over all prisons, that have need of a decisive impulse of the Light to be able to defeat certain evils.*

*For this reason, we invite you more than ever to be with us in spirit on that day; that you accompany us, for that indeed will be a great planetary task.*

*Let us sing "Immaculate Heart of Mary" for the closing.*
