**APPARITION OF THE VIRGIN MARY, IN AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús:

Our Lady asks us to go in procession to the Portal of Peace, with our candles lighted, because She will show us something there.

Let us continue in prayer.

Prayer: Hail Mary (in Latin).

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In the name of the Father, the Son and the Holy Spirit.

Dear children, I ask you to be in attunement for the revelation of the next secret. Remain inwardly in prayer.

Dear children, I am the Messenger of Truth. Let us pray so the world will be saved.

I thank you for responding to My call.

Today, in My Heart, I uplift all the hearts that are being consecrated in this place as My disciples of prayer.

Today, at the altar, I receive all your flowers as a symbol of reparation, of restoration and of healing for the essences that have fallen.

Thank God for your awakening, for your awareness and participation in this task carried out by the Messenger of God.

Pray, do not forget to pray.

In this time, I come to announce what humanity must come to know. I come to avoid many things in the times that are close.

Continue in peace and in prayer.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón de Jesús:

Brothers and sisters, today we experienced a very special Apparition, because our Lady manifested as the Lady of the Divine Verb, and from the very moment of Her coming, She pointed us towards the Portal of Peace, a place She considered safer, so that through this portal, She could reveal the secret, and Our Lady asked us to explain what She said to us as the essence of the secret.

When She reveals a secret to humanity, which in truth many do not know what it is about, and when Our Lady says She will reveal a secret and we become aware that there is something held there, a mystery that Our Lady reveals to us, She calls it this as a warning for us. It is a way for our consciousness to pay attention to Our Lady, Who is announcing something different for this cycle of the planet.

Today, She told us She has revealed many secrets throughout Her Apparitions in the world; and when She announces a secret at a special and specific moment, She tries to awaken our beings to something greater.

Today, She tried to elevate our consciousnesses toward other more subtle planes; She tried to make us aware of things unknown to us; for example, what She calls the Laws of God, which according to Our Lady, is completely unknown to humanity; and the lack of knowledge of these Laws and of being able to live them, says Our Lady, causes events to develop in the world.

Today She came accompanied by Celestial Hierarchies, and always two Archangels at Her side, and other beings of Light that accompanied Her in this secret. Mary was making us aware of the essence of the secret so that we could collaborate and reverse this foreseen situation.

During the revelation of the secret, Mary made our sleeping cells vibrate, and awaken with the energy which was descending at the time She was revealing the secret. It was a strong and higher energy, which Our Lady channeled to us and to humanity.

She said that when She reveals a secret, it is not to bring us fear. She needs us to earnestly become aware of the things that happen in the world. For this reason, She counts on each of our prayers so that daily, we may reverse those secrets and Graces can be poured out over humanity.

Today, for the first time, She said that Mary has the task of warning humanity, that She has always done so in other times and will continue to do so until the Coming of Christ.

She said that we are in time to change many things within us, and that we take advantage of every moment of our life. Today, She asked us to not overlook things, that we should transform, accept the moment of our purification, that we fully trust that everything is in the Hands of God; because She says that in the near future, we will be instruments for other consciousnesses, which She calls "fallen consciousnesses," of those that are asleep, of those that don't want to change, nor even hear the call of Mary.

Prayer, Our Lady said today, is a preparation for the end of times, and is an instrument which will protect us and shelter us.

At a point in the revelation of the secret, She stopped, She stopped explaining many things, and concerning prayer, She gave an important key to the Children of Mary. She says She consecrates so many children at this moment because the Children of Mary must be shields, impenetrable

shields that are strengthened through prayer, and provide this service for those who do not pray. In this way, Our Lady counts on each Child of Mary, consecrated or not yet consecrated, so they may provide this service of prayer which is so important in the end of this time.

Today Our Lady came very silently. At certain times, She was a little serious; but in spite of what She was dealing with and announcing, She never stopped permeating us with Her Light, never stopped observing each one of us present here.

Today we asked Her: Lady, why do you speak a secret that nobody can know? Because souls, She said, pay attention when I speak some secret; they feel an inner interest in being able to collaborate and solve what is happening in the world, which is through prayer.

And in the end, before withdrawing, She told us She revealed this secret because those of us who were present are prepared to receive this secret in a disinterested and simple way.

In the end, She rose up. She took our flowers as a spiritual symbol. She consecrated the Children of Mary through the Sign of the Cross. And She asked that the Children of Mary consecrated today, who are part of the groups of prayer of Salto, together walk past the image to thank Her for that blessing.

Thank You, Mother, for all that You give us!
