APPARITION OF SAINT JOSEPH AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS, WITH THE SPECIAL APPARITION OF THE VIRGIN MARY TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The voice of Saint Joseph, through Sister Lucía de Jesus:

May the presence of the Sacred Family prepare each one of your hearts for a new time.

Today, in the presence of your Most Holy Mother and Our beloved Son Jesus, we place in your hearts that profound love that we were able to experience as a Sacred Family. Everyone who opens to receive this blessing will receive it, because we did not come to the world just to have an experience. We did not come to the world just so that Our story could take shape on paper or in the ethers of this planet.

We came to the world, children, to leave an example, a path, a guide for each human heart. We came to the world to demonstrate the perfection of the Plan of God, not only to humanity but to the whole universe.

Today My daily message will be one with the message from Mary, because we will speak to you, bringing to your hearts that which you need for really preparing to receive Christ, for this is Our mission: preparing the human heart for the coming of the real King. Just like we prepared His coming to the world, His birth, thus we also prepare for His return.

That is why God asks us to continue to come to this planet each day, to instruct the human heart. In Jerusalem it was our silence that instructed hearts because the birth of Christ was also a mystery even for Us. Many knew that something was happening in that very mysterious Family, but they did not know exactly what, because for the human mind it is not possible to conceive the great Grace that God Himself should manifest among humankind. This happens, children, because you do not really recognize yourselves as a Creation of God because you believe that you are far from the One Who created you when, in reality, He is within each one of you. If you were to discover your unity with the Creator, that absolute unity, unique throughout the whole universe, it would not be difficult for you to believe that He comes to meet you through His Messengers and that He will return, He will come back in splendor, in the vestments of His Son.

To truly understand the mysteries of the Sacred Family, to understand about Our life on this planet, and also Our presence here in these times, you must learn to unite with God because it is only with the heart united to the Heart of the Creator that these mysteries will be comprehensible to you, not with the mind, but with the heart. It is the heart that understands without being able to explain how, it does not have a theory, it simply knows.

I would like to remove you from this third dimension, from this always so human thought and this always so human way of living. Thus, we speak to you about celestial divine matters, because the time has now come to return. And if you do not begin to love Heaven, to love higher life, how could it become a reality in this world?

Heavens will descend to Earth at the exact, correct moment for humanity, but before this happens, you must come to your hearts and essences. This is why we ask you to pray so much, that you serve, that you learn to love because it is the love that you develop in your hearts each day that will allow you to find God, His Universe, His Knowledge, His Wisdom.

I have also had a human mind, a human heart; I also was not capable of understanding many truths, until God taught Me to love. And in light of the greatness of this love that I saw being born in My heart, there was no theory, there was no thought that could defeat it. There was no doubt that could remove that love from My Chaste Heart. And for this, we are calling on you in these times: to live that absolute love.

In the coming days, you will be with Christ, who is the representation of love itself for all of Divine Creation. Will you let yourselves be loved by Him? Will you understand the sacredness, how majestic this meeting with Christ is? When I held Jesus in My arms, at His birth, I could not understand how God could place Himself in the arms of a human. The Child God grew, gave His life for the love of all, placed Himself in the arms of those who hated Him and allowed Himself to be martyred and crucified because of the greatness of His love. It is that same God who returns to the world and who for seven days will be with you. It is that same God who invites you to announce His Presence, to be witnesses of His Mercy, multipliers of His Grace, for He does not aspire to remain in this room, He does not aspire to only reach this place.(1)

God wants to live in each human heart, He wants to reach those who do not know Him because they fear His Love, He wants His Sacrifice to be worth it, that which is perpetuated throughout the centuries, through the victory of your hearts.

Thus, do not fear following Him, do not fear allowing yourselves to be led by Him, do not fear yielding to Him. For this reason, listen to Our words. If you did not believe in Our teaching in Jerusalem, if you did not believe that it was God within That Child, now you have the chance of responding to His celestial call, of having your own faith grow, and this time, be worthy of being called His companions.

Now listen to your Most Holy Mother.

The voice of Mary, through Friar Elías del Sagrado Corazón de Jesus:

My silence is shared by Saint Joseph and by the little Child, for in the humility of spirit is born the power of the brave and the conviction of the neighbor to follow the Plan of God and His greatest Work in spite of everything.

We are here today as the Sacred Family that ardently hopes for you to also soon be a spiritual family for peace that will instill the new patterns of universal life and of the Gospel.

I am here, gestating this moment in My most pure womb, which is unique for all. Happy are those children of Mine who knew how to benefit from it and not waste time in embracing the opportunity that Heaven gives them through this moment and the glorious coming of My Son to such a chaotic world, full of pain, suffering and denial.

We came to awaken in you the real meaning of life, brotherhood, and confraternity with the whole universe. The foundation for this has already been sown in your hearts and in your souls. It will be

enough, My children, that you definitely dare to take the final step so that My Son may find a safe path through His second return to humanity.

During this Sacred Week, your divinity must be in the Divinity of Christ, your heart, in His ardent and loving Heart, your human condition in the ocean of His Mercy, where the burning flames of His Merciful Fire will embrace those who unconditionally and unhurriedly dare to accept it.

I want that Fire of Christ to transform you throughout the seven days because we cannot wait any longer, My children. God needs the collaborators in the Plan to be available so that the Sacred Family can withdraw into the universe and prepare for the great moment of the Return of Christ, in His Glory and in His Grace.

Meanwhile, dear children, you will lovingly embrace the cross God gave you. You will strive to live everything for your neighbor and brothers and sisters. And in this planetary transition, through love and prayer, you will accompany all those who are unable to get up from the ground due to their own purification.

However, as I am your kind Mother, and as Saint Joseph is also kind in His Infinite Mercy, as is My Son in His Grace, we will not abandon you.

The teachings We transmitted to you throughout so many years must be present in your daily life, in your examples, actions and ways of being, so that, in this way, the lost and ignorant humanity, which is submerged in material illusion and fanaticism, may awaken and see in your faces the reflection of a work done with such great love, which comes from God and His Celestial Altars through Our Sacred Hearts, which distribute His Graces wherever They go, in each part of this world.

If we are here, in this hour and at this time, it is because you are called to experience the transition together with humanity and all the Kingdoms of Nature, which will wait, as they always have done, for inner and outer help on your part, a fraternal charity that will multiply with love in all hearts.

Before the seven Choirs that accompany Us today and sing Glory to God for all the universes and sublime realities, may your hearts today merge with Our Sacred Hearts into one spiritual family, and may this step you are invited to take during this Sacred Week, in company with the Passion of Jesus, be obvious, be your intimate testimony that, in truth, you love Christ above all things and that you will always be open to humbly receive all that will cause you to grow in the name of God.

The voice of Saint Joseph:

On this day, when your hearts give thanks to God for being in the Presence of the Sacred Family, and because My voice has echoed in the world now for three years, may your hearts reflect, reflect deeply, on all the teachings you have received, all the blessings that have been given to you.

These blessings, children, cannot remain in your hearts; they must be radiated to the whole world. I would like the presence of the Sacred Family in this place to be known to many, because here, as in each Marian Center founded by the Immaculate Heart of Mary, we are building a unique Work, to prepare hearts for a time of chaos, a time in which you must not lose your peace, your faith, nor the hope of seeing a New Humanity be born in this world.

For this, you need to make an effort, you need to transform, take your steps toward that perfect archetype that the Creator thought of for each one of you.

It is through this Work, children, that We reach out Our hands to you, for you to place in Our arms the old vestments, vestments that represent your non-redeemed phase, that represent the errors of the past, mistakes you made beyond this life, stains that you carry in your soul, to be healed and forgiven in this time.

It is for this reason that today I will ask that this Work of the Divine Messengers, which begins to take shape on paper through each book you manifest with Our Words, may reach the four corners of this world, may they be translated to many languages besides English, Spanish and Portuguese. May the language of the heart may reach each nation of this world. For this, I invite all who listen to us to awaken and collaborate, because you may not understand why we ask you for these things now, but in the future, I assure you that you will be able to understand it.

We did not come to cause fear in you nor apprehension about an uncertain future, We came to awaken your faith and so that you remember each of these words when you think this faith is no longer within you.

I would like, children, that one day, on this altar, just like on the top of the hill, the images of the three Sacred Hearts be portrayed. May My Face, which I revealed to you on the first day of the daily Messages, be painted and disseminated throughout the world, not for Me, but because of what it will represent for the human heart and because of the impulse the Creator will send through it. May the image of Mary, Rose of Peace also be painted so that Her purity may reach the four corners of this planet and may every living being recognize that their Celestial Mother gave even Her Essence out of love for humanity and the Kingdoms of Nature.

Through these images, as well as by Our Words, let all hearts feel that in this place, as well as in each Marian Center, the Creator gave the best of Himself for the redemption of humanity.

Let the New Race, which will emerge through the redemption of yourselves, be able to know, become familiar with the Love of God that has been manifested in this place and on this planet; that the Creator, until the end, did not give up on humanity, and however much the errors grew, the atrocities and the wars were infinite, His Sacred Heart poured out even more Graces, even more blessings, sent His Messengers to the world, His angels and archangels, the saints, the blessed, to guide the human heart in all ways.

Sometimes, children, the result of this Work will not be seen by your hearts, but even so, you must collaborate so that it may manifest, because it is part of your redemption and the awakening of your consciousnesses that you are able to act upon this Plan of God in these times.

The voice of the Virgin Mary:

Dear children, through the chaste union of the three Sacred Hearts, bring here the offering of the bread and the wine for the consecration, for the establishment of peace.

***Friar Elías del Sagrado Corazón de Jesús:** We will now pray this prayer that Mary transmitted to us, which is a prayer that the three Sacred Hearts carry out together for the concretization of the Divine Plan in souls and for the awakening of all hearts. We will repeat the prayer, phrase by phrase, at the request of Our Lady, several times, so that you interiorize it within your hearts,*

united with the three Sacred Hearts.

Sublime Grace of God,
descend into the hearts
so that souls may awaken
to Higher Life.
Amen.

The voice of the Virgin Mary:

When Jesus was a child, He taught the Sacred Family of Nazareth, His beloved Father, Saint Joseph, the bases of His Spiritual Priesthood, because the Archangel Gabriel inspired all the work of that Sacred Family, which came to the world to concretize the redemption of souls and the salvation of all fallen spirits.

Saint Joseph was the first consciousness to learn about the holy communion with God and with His Divine Spirit. Thus, today, He will carry out the consecration, in the name of the Sacred Family and all the families of the world, that each day must unite more and more in love, in brotherhood and in forgiveness. He will consecrate this Communion for all the youth and children, adults, women, elderly and the sick who are in the loneliness of the human heart and who must find Christ, Our Lord, again in this mystery of the holy sacrament.

Friar Elías del Sagrado Corazón de Jesús: *Let us lift up the offerings from our hearts, the Sacred Hearts of Jesus, of Mary and of Saint Joseph, so that the love of our hearts may touch the Heart of God, and He may spread His Mercy throughout the world.*

Sublime Grace of God,
descend into the hearts
so that souls may awaken
to Higher Life.
Amen.

Sister Lucía de Jesús: *At the request of Saint Joseph, let us listen to seven bell sounds, that announce the seven days of the meeting with Christ.*

O Blood of Christ

poured over the world,
purify our souls,
relieve our hearts,
have pity on us, Lord!
Amen.

The voice of the Virgin Mary:

We rise up to Heaven with the offering of your hearts and souls so that the Graces may multiply within those who have most need of them.

We give thanks for you having responded to Our call and Our celestial invitation.

In the name of the Father, the Son and the Holy Spirit. Amen.
