DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

May the strength of the love of the heart never end, because it will give you the inner strength to carry forward the Plans of God.

May the strength of the love of the heart make you peaceful, so that in these times you may accept and understand the most difficult and complex situations.

May the strength of the love of the heart gather you together and unite you as brothers and sisters, because in this way you will awaken the gifts and the virtues of the new apostles of Christ.

May the strength of the love of the heart guide you and illuminate your paths, so that the truth and the transparency between consciousnesses always reign.

May the strength of the love of the heart assemble you, so that in these times you may celebrate communion with Christ, the unique re-encounter with the Mercy of God.

May the strength of the love of the heart unify you, so that the Consciousness of Christ may accompany you till the end.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
