DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SANT ESTEVE SESROVIRE, BARCELONA, SPAIN TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Message for the anniversary of My Apparitions in Medjugorje

My dear and beloved children,

Today, from Europe, I hope My celestial voice will be heard.

The bells of the cosmos ring the melody of celebration and peace without ceasing because the Plan of your Celestial Mother, of the Queen of Peace, is still present in the hearts of the world.

I hope that today the door to consciousness and wisdom opens. Therefore, on this day, in which the Marian Center of Medjugorje shines with peace, I would like all My children of the world to value, with all their hearts, the magnitude of the celestial Work of their Holy Mother.

My children, upon awakening to the reality and truth of these times, you have more possibilities of accompanying the changing of the times, which are now at the doors of your lives.

Dear children, today I hope that a small part of Medjugorje, from the Sanctuary of Peace to the world, which has been alive for thirty- five years, can have a primary place within your hearts because, in this way, you will allow God and His Kingdom to enter within you and the Divine Plan may triumph.

Dear children, today your Mother contemplates all of humanity with Merciful eyes because the hour has arrived for the hearts to awaken to the mission they came to fulfill.

In each place that I appear, I establish a portal to the universe, a path where souls can travel to, to reencounter God, the Celestial Father.

This divine manifestation of the Portal of Peace, which I establish in each Marian Center, has to be assisted and sustained by each praying heart.

It is the prayer and devotion of the true hearts that allow, as in Medjugorje, the Presence of My beloved Son to remain alive.

It is the mission of each prayer group, and especially of the praying Light-Network to sustain the epicenters of the Communities and of the Marian Centers.

It is the spiritual responsibility of your whole work group to protect, help, collaborate, serve and donate for the evolution of the Islands of Salvation of the Marian Centers and of the Light-Communities, because the time will arrive, a time that is not so far away, in which these places will be shelters for you from all spiritual adversity and from material chaos.

The continuity of the Marian Center of Aurora is the commitment and mission of all Uruguayans, as well as the responsibility of all brothers and sisters in the Southern Cone.

The continuity of the Marian Center of Figueira and the Marian Center of the Child King is the commitment and mission of the Brazilians, just like the existence of the Marian Center of the Holy Spirit and its Community is the commitment of all of Argentina, because My commitment with you over the past few years has never been altered.

Therefore, with constancy, charity and love, your Heavenly Mother meets you in prayer and devotion every 13 and 25 of each month, just like for thirty-five years My Presence has been continuous in Medjugorje.

I lovingly ask, dear children, that in these critical times, in which the servers of Christ are needed, you may make a little more effort and get out of the comfort that has been installed in the consciousness, which has lead you to stop collaborating actively with the Prayer Centers, centers consecrated by the Celestial Universe.

Dear children, My purpose is to tell you the truth, because I love you and there is no longer time to lose in the superficialities of spiritual life.

The triumph of your lives will be in sacrifice and in love for this suffering planet in redemption.

Imitate My Son and follow Him so that, in this way, I can pray for you.

The Marian Centers are not only sources of Graces that all will seek month after month, the Marian Centers must be the essence of your transformation and rescue.

Children, it is time to give and to turn out the pockets that are full, it is time to experience fraternity and charity with the neighbor, thus, you will be forging the new sacred family of humanity.

I love you and I want you to see the truth so that the Plan finally ceases to be a fantasy in the background. The times are of emergency, blessed and holy will be those who

believe it to be so.

From Medjugorje, today I give you My holy maternal blessing, in the name of the Father, of the Son and of the Holy Spirit.

I thank you for responding and for accompanying My message!

Your Mother Mary, Rose of Peace
