**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

The twelve songs composed and intuitively elaborated by José Trigueirinho, during the course of his thirty years of instruction, of learning and of service to the Plan of God, reflect the aspiration, the hope and the call to the manifestation of the spiritual attributes which, during his first phase as an instrument of the Hierarchy, he yearned to concretize, in this humanity, just as other spiritual and philosophic instructors that have come to the Earth to fulfill a Greater Will.

By means of these twelve songs, José Trigueirinho achieved to transmit one of the seventy seven Wills of God manifested in twelve Principles, which were literally expressed as inner messages coming from his soul. These messages reflected the aspiration of the Divine Hierarchy for the concretion of the first attributes, which would impel the awakening of the consciousness of the New Humanity.

Another main accomplishment carried forward throughout the years by José Trigueirinho, the instrument of God, was the manifestation of the Choirs-of-Light, one of the streams of the Divines Will, in this case the main stream, which would help in the descending of more and more attributes to the consciousness of humanity.

In this sense, the first choirs, which had officially formed based on the experience and the living of the collective work, by means of the Community-of-Light of Figueira, accepted to develop, little by little, the expression of the attributes that José Trigueirinho had once heard in his soul and had written on paper, as inner statements, which transmitted a message and a higher call to the Hierarchy.

This legacy, which impelled, after thirty years, the expression of the Communities-of-Light, the awakening of the groups of service, of prayer, of instruction and of healing; is renewed today for all consciousnesses, demonstrating to each one of them that the twelve main songs once written by the instrument of God were prophetic symbolic messages which were revealing, on many levels of consciousness, what would happen during the first thirty years of a Work based on love and on faith in the Hierarchy.

Therefore, today your Master and Lord asks all of the founding pioneers and the servers of the last years to offer, for the next September 25, 2018, as a closing tribute, four songs, which will be recorded only with voices, and which later, at the end of the first part of the homage that will be made to José Trigueirinho, will be transmitted worldwide, so that everyone may perceive and become aware that the prophecies have already been fulfilled.

This special ceremony of transmission will be programmed for 8:00 p.m.

May this impulse, which will gather pilgrim hearts of the Work of the Hierarchy, reignite the commitment of serving, and of loving the Plan of God, more and more each day, just as José

Trigueirinho, the instrument of God, selflessly loved.

I thank you for keeping these impulses in your heart!

Who blesses you,

Your Master, Christ Jesus
