**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN MENDOZA, ARGENTINA,  
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

May My Love invade every space of this planet, every being that breathes, as well as every living cell, so that pain may be transformed into Greater Love, and may that love, that every living creature can receive, allow the planet to be transformed and redeemed, granting it Divine Grace so that, in these times of tribulation, Grace may be the direct means by which consciousnesses may achieve the illumination of their beings and the redemption of the aspects that cause the steps of the spirit to go backwards.

May Love bring wisdom to the sick humanity so that it may learn to experience inner healing from past facts and events that led the awakening of the love of the human heart to be delayed.

May Greater Love allow you to see the reality and emergency of these times so that the apostles of the end times may manifest and take up their positions within this commitment of love for all of humanity.

May the main veil that covers the vision of the human consciousness, which is ignorance, fall, and through the Water of Mercy, the blind in spirit may see again and be redeemed from all errors committed. In this way, the planet will be more free of adversities, and sincere love among creatures will renew the Earth and all its inhabitants.

May Love be the star that illuminates these times.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
