DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN in the Missionary House of Fraternidade, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

Colombia will rise as a spiritual consciousness when the nation absolutely and unconditionally assumes humanitarian service and when the Colombian population is helped to become aware of the need for serving both the unprotected as well as those who suffer the consequences of a mistaken leadership.

Humanitarian crises are a reflection of the mental and social subjugation that the underdeveloped peoples experience, which are placed within an armed political system, that over the course of time harms the majority, those most poor, and benefits a minority.

But this situation will collapse from its own weight, in the same way that stones fall from a cliff. In the upcoming time, a slave system that harms souls will not exist, because all that is hidden and is infidel will come to light and all will see it, just as the news in the newspapers is seen.

This is the time for Colombia to open to live a welcoming to the immigrant and the unprotected for, in this way, the nation will spiritually generate merits and will receive special Graces, which it needs in order to remain in the faith and in the Project of God.

Encourage and show the Colombian people that they are to assume their mission in these times, and may Divine Mercy come to all beings.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
