DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "*The Call*"

This song invokes the flame of awakening for each person of the Earth because, having this consciousness of awakening, the human being will be able to abandon the atavistic forms that tie them to the past and to continuous errors.

This is why the Voice of the Hierarchy resounds more than a trumpet. Its Voice circles sidereal spaces so that, beyond the unreal alternate time, all humanities may hear the call of the great invitation.

Hearing this call, the soul is molded and formed as an instrument capable of receiving the luminous impulses that will allow it to transcend matter and the planetary psychism.

The call of the Hierarchy appeals to the awakening of consciousness because behind this important awakening lies the impulse that the spirit needs, to begin to become part of the inner commands of the Hierarchy.

This call invites human beings to have compassion towards their own planet and for its humanity.

It is a call for becoming conscious in order to be able to modify the tragic destiny of an Earth warped and colonized by error.

In this context, and even with these events, the song reveals the emergence of the New Christs who, amidst struggle, dissociation and traps, will overcome in the name of Higher Love that can and does transcend everything.

Thus, the Hierarchy, which is one operative Consciousness, awakens the spirits, present on the surface of the Earth, so that in their inner worlds they may hear the call of the Higher Light.

From sidereal space, the emergence of this group of consciousnesses will be seen, that will immediately respond to the Voice of the Hierarchy and that, beyond everything, will fulfill the requests of Divinity, in order to root out ignorance and dissolve the pain that leads souls to perdition.

This song reveals that everything is thought of and planned for, and it is the time of the great awakening.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
