DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF NIAGARA ON THE LAKE, ONTARIO, CANADÁ, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Souls that thirst for God seek the consoling love of the Father. The bridge for those souls is the religious and priestly life, which is offered in communion with Me to be a witness of the Love of the Redeemer.

Thirsty souls do not seek the perfection of the consecrated one or of the priest because their own spiritual thirst allows them to recognize that the consecrated life is the mystical home that souls need in order to be able to find God.

In this case, the priest is capable of taking care of and protecting their own temple so that the Consciousness of Christ may dwell within it, a place from where their Lord will perform all the necessary wonders and blessings.

The most thirsty souls will always need that bridge offered by the priestly life so they may awaken to the gifts necessary for walking in the spiritual life.

Without the presence of consecrated priests, the Plan of Rescue would not make sense.

That same existence that comes from each priest, which is divine, allows them to carry out their office and thus fulfill Divine Will.

I thank you for keeping My Words in your Hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
