**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN DE JESÚS**

To me, children are the most perfect and beautiful manifestation of the Purity and Innocence of God, because in them is held the original essence, the perfect code that will have to evolve and advance through time.

In children, there is something that is profoundly real, and that is the love that can be born naturally from them, without having to force anything.

The love of children can dissolve conflicts between nations and even mitigate the end of time catastrophes.

If children received spiritual education on the existence of the Universe and of the Heavenly Father, they would acquire greater inner capacities in order to be able to modify and correct the times because, for the existence of God's Purity within them, their intercession before impossible situations is greater.

For the most part, children offer themselves since their origins, that is, before emerging, to serve humanity unconditionally and, in many cases, without total awareness of what they do or what they feel, their spirits are capable of offering themselves as victims of the Love of God for the salvation of the whole humanity at any given time on the planet.

When I was present on Earth children were My main consolation because I knew that in them I could find that part of God that consoles and sustains at crucial moments.

Children are the portal to My Heart because in them lies the essence of what God thought of when He created mankind.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
