DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Partners of My Path,

I know that sometimes you fall to My right and My left. For this, today, in the name of the unfathomable and infinite mercy, I come to meet you, because My Heart, wounded by the thorns of humanity, searches for relief in the dwellings that are still impure, because My Divine Love comes to consecrate them, searches for relief in the empty dwellings, because My Love comes to take away loneliness, searches to relieve the dwellings that are in pain, because My Love comes to fill each soul with healing.

Come toward Me and trust! I know very well about your difficulties and your talents, those which you have to give Me. Open the door so that My Sacred Mercy may free your past and your heart. Let Me find a space for Myself inside of your being.

What more do you want, My Sons and Daughters? Can I just stay close to your inner life?

I know which desert you are now walking in and I know where you have been. Unite to My caravan, which heads to the destiny of redemption. Trust in the great Pilgrim who walks the world looking for a place to land and rest. The great moment for the awaited encounter with Me is at hand, and all the servants must be prepared from the heart.

Stay in Me so that I may stay in you. Just wait in patience and in vigil for the great encounter. I Am with you to encourage you to live in My Merciful Hope. I know that you fear to look at Me, to even find Me before your little life. Now wait, just wait for Me, because I Am arriving to each being.

Quiet yourselves and be serene within My Heart, I want you to be born into eternal life, to the encounter with My Redeeming Love. I forgive your falls, but I contemplate your love for Me. Today I stay inside of you in prayer.

In the Grace of God, be merciful to one another.

Thank you for keeping My signs in your hearts!

Christ Jesus

At the end of Christ's message, I saw arise again from the Heart of Christ a blue source of light that He pours out upon us, it was the Source of His Grace and He transmitted to us the following prayer:

Prayer to ask for the Grace of the Merciful Jesus

For the Source of Grace
that springs as a fount
from the Heart of Jesus,
Lord, have Mercy on all of us.

Amen.
